

THE IMPOSSIBLE 2016

BARWON HEADS-PT IMPOSSIBLE-TORQUAY PADDLE RACE

The reason we paddle is not just for fitness, although that is important. We paddle to "be there"; to live in the moment, to feel the pressure on the blade, smell the pureness of the ocean, taste salt on our breath and to feel the power of a swell.

The most important thing in racing is not the win, but the camaraderie and the challenge.
